

OHC Member Information

If you are registered for the Intro to Oral History workshop series, please fill out this form, and bring it with you to the workshop.

We are asking for this information so that we can add you to our OHC Members once you complete the workshops. We will use your info in three ways: First, once you have completed the workshops, we will mail you a certificate! Second, we will need your contact info if you would like to borrow our equipment. And third, we will use your email address to send you information about your Membership, such as when it's time to renew.

Please indicate if you would like us to add you to our OHC News and Events Email List. You are able to unsubscribe at any time, or sign up in the future using the [DIY signup on our website](#).

- Yes, please add me. No, please don't.

Oral History Centre Workshop Registration
